DEFENDANT'S AMENDED WITNESS LIST

COMES NOW Defendant Brenda Burdue Savage, by and through her counsel of record Jacob T. Reynolds of Wagner and Lynch, to present an amended witness list for jury trial.

The changes to the witness list are the result of an evidentiary disclosure by the Government on February 1st, 2022. The Government disclosed the Defendant's release paperwork from Pittsburg County Jail. On that paperwork, the search officer, Tammy Davidson, provides a relevant note of the Defendant's state of intoxication during booking procedures. On February 2nd, 2022, Counsel for the Defendant contacted AUSA Matthew Mattis about amending the Defense's witness list. The Government had no objection to the amendment. The Defendant plans to call Tammy Davidson to testify about her observations during booking procedure.

This amendment will shift the order of the Defendant's witness list and will add approximately 10 minutes of direct examination testimony.
